## Prayer Request for June & July 2025 and the Myanmar Earthquake Relief update #4

---

From Woody Kim (EAA) <Woody.Kim@om.org>

Date Wed 6/4/2025 10:56 AM

To Woody Kim (EAA) <Woody.Kim@om.org>

Greetings from Bangkok!

The city has been drenched in rain, but the heat and humidity remain ever-present.

This weekend, Esther and I will take on a three-month home assignment in LA. We are excited about this time of rest, renewal, and reconnecting. On June 7th, Woody will graduate with a PhD from California Prestige University, focusing on Asian financial development and sustainability. We appreciate everyone who prayed for him throughout this journey.

In addition to sharing this prayer update, we are grateful to report on the Myanmar earthquake rescue project. Thanks to generous donors from around the world, over \$500,000 has been raised in three months, enabling long-term relief efforts. The rescue operation continues to progress under Myanmar's leadership, and we are thankful for every helping hand extended in this mission. We are sharing the Myanmar Earthquake Relief update #4 with you.

Let us hold fast to our faith, knowing that the Lord is working ahead of us through the Holy Spirit in our prayers.

### Pray Request:

1. From June 6th to September 2nd, we will spend a meaningful fellowship with our children in the United States on home assignment. Please pray for gracious and fruitful meetings between churches and donors.
2. We also share joyful family news— Nathan and Diane have blessed us with the gift of new life! We are looking forward to welcoming the first grandchild into the world at the end of November. Please pray for both mother and child that the baby may grow strong and recover from morning sickness.
3. Again, thank you for your steadfast prayers and support in the Myanmar earthquake relief project. We ask for continued prayers for Woody as he leads this project and ensures effective financial and ministry reporting. May Myanmar's leadership and teamwork flourish in carrying out this mission.

Blessings,

**Woody Kim** 김 우종 선교사

Director of Financial Development
