

Dear JJSBMF Board Members.

**Greetings in the name of our Lord Jesus Christ from Kathmandu!**

As I reflect on the month of May 2025, my heart is filled with deep gratitude for all that the Lord has done in our family, our church, and the community. I am writing to share with you a few significant updates and testimonies, trusting that your faithful prayers continue to fuel the work of the Gospel here in Nepal.

### **1. A Joyful Baptism Service – 12 Souls for Christ**

We had the great joy of baptizing 12 young people this month, including both of our children. This was a profoundly meaningful moment for my family and our church. Remarkably, I was also baptized in month of May, 32 years ago, making this a sweet reminder of God's faithfulness through the generations. Please continue to pray for these young believers to grow strong in their faith and become true witnesses of Christ. We thank God for the ever-growing family of faith.

### **2. A New Chapter for Our Son**

Our son, Nishan, completed his high school education this month. During his break, he is joyfully serving in our church choir and preparing for college. Watching him grow spiritually and take ownership in ministry is a true blessing to us.

### **3. A Daughter's Bold Step of Faith**

Though only 14 years old, our daughter made a heartfelt decision to follow Christ through baptism this month. We were honored to support her decision as she was baptized alongside her brother and others. She is also excelling in her studies and was recently appointed house captain at her school. We clearly see the Lord's hand shaping her life with responsibility and grace.

### **4. Gospel-Centered Bible Study in the City**

Seeing the spiritual hunger among young professionals in Kathmandu, we launched a new Bible study group in the heart of the city. We pray this group will become a lighthouse for the Gospel in a spiritually dark environment, Gospel movement May bring hope and transformation to this urban generation.

### **5. Micro-Businesses – Hope for the Slum Community**

We continue to pursue a vision where every family in the slum communities gains access to skill training and small business opportunities. Slowly but steadily, families are starting micro-businesses as vender and work from home—helping them live with dignity and even support to their family and local church. Please pray for the sustainability and expansion of this life-changing effort.

### **6. Bible School Graduation – 18 Equipped for the Harvest**

In May, young men and women graduated from our Bible school. It has been my privilege to teach there for the past 15 years, investing in the future leaders of the Nepali church and diaspora. What a joy to see these students equipped in the Word and filled with passion to serve the Lord.

### 7. Nishan's Trek to Tilicho Lake

This month, Nishan and his school friends successfully completed a trek to Tilicho Lake (4,919 meters), one of the highest lakes in the world. This follows his previous treks to Gosaikunda and Langtang Valley last year. His love for God's creation and his heart for the Lord continue to grow hand in hand.

## 8. Monsoon Season in Nepal – A Call for Prayer

June, July, and August bring the monsoon season in Nepal, a time of heavy rainfall that often causes landslides, flooding, and severe damage—especially in the fragile Himalayan regions. Please join us in praying for protection, provision, and safety for those most vulnerable. May the rains fall gently this year.

## 9. Church

### Ministry Core Team – Salt and Light

As the ministry core team, we are called to reflect Jesus' love by being salt and light in our community. We pray the gospel transforms our hearts each day, bringing us together in love and truth. With the help of our Savior, we long to bring hope and lasting transformation to those around us.

### **10. Celebrating 20 Years of God's Grace in Marriage**

This May, my wife and I celebrated our 20th wedding anniversary. It feels as though we were married just yesterday, yet the Lord has kept us united and faithful through two decades of life and ministry together. We are deeply grateful for His sustaining grace.

I am truly thankful to have you alongside me on this journey. Your love, prayers, and encouragement are making a lasting impact in many lives here in Nepal. May the Lord bless you abundantly as we continue to serve Him together.
