## Blessings of God!

It has been a great blessing to see God's work grow through university ministry. Beginning at ISA and ISFODOSU, we have since launched student ministries at PUCMM, UTESA Mao, and UASD Mao University.

## Work of God!

Praise God! This year, 30 students from ISA and ISFODOSU committed their lives to Jesus Christ as their Lord and Savior.

## Church Planting in Progress.

What started with prayer has led to connection, gatherings, and now active training toward planting an International Church in Santiago, Dominican Republic.

## Greetings in the name of our Lord Jesus Christ from Dominican Republic!

We would like to take a moment to sincerely thank every church and every individual who helped make this year a blessing in expanding the Kingdom of God in the Dominican Republic. As we reflect on all that God has done, we are truly amazed.

From beginning ministry at ISA and ISFODOSU University, expanding to UTESA Mao, then to PUCMM, and later to USAD Mao University, God opened incredible doors through Jesus Christ for us to impact university campuses in Santiago and throughout the northern region of the Dominican Republic.

Throughout 2025, we saw 30 students give their lives to Jesus Christ. Praise be to God! Thank you for your faithful prayers and

## University Connection Ministry to Church Planting

partnership in bringing Gospel transformation to university campuses. Your support truly made the difference in impacting the next generation for Christ.

This year has been incredible as we witnessed the Holy Spirit move powerfully—transforming lives in Christ and guiding many students to follow Jesus for the first time. None of this would have been possible without your continued prayers and partnership.

We pray daily for your churches and families who stand with us in fulfilling the Great Commission to make disciples of Jesus Christ. We remain committed to **loving, serving, and making disciples of Christ** here in the Dominican Republic.

We humbly ask for your continued prayers and partnership as we look ahead to 2026, believing we will see even greater fruit from this ministry in Jesus Christ. We are also

currently in training for an International Church Plant in Santiago. Please pray that this church, grounded in Christ's mission to love, serve, and make disciples, will become a reality in Santiago, Dominican Republic.

Please also pray that International Connection Church will powerfully impact the community with the Gospel of Jesus Christ.

Thank you so much for your continued support and prayers.
